Calgary Indigenous STEAM Students Association (CISSA)

University of Calgary
Fall 2023 - Winter 2024

Club Overview Land Acknowledgement:

We would like to acknowledge that our University is located on Treaty 7 Territory, which is the traditional territory of the Blackfoot Confederacy, comprised of the Siksika, the Piikani, and the Kainai First Nations; the Tsuut'ina First Nation; and the Stoney Nakoda, which includes the Chiniki, Bearspaw, and Goodstoney First Nations. Treaty 7 is also home to the Métis Nation of Alberta – Region III.

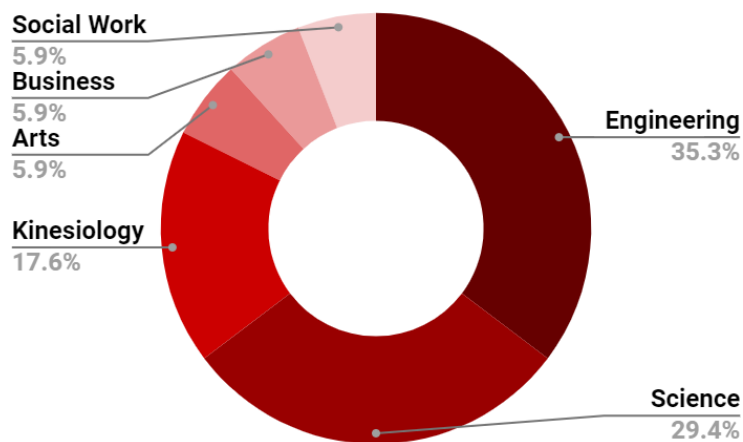

On this land and in this place, we strive to incorporate Indigenous ways of knowing and being, as well as traditional knowledge into each discipline of STEAM (Science, Technology, Engineering, Arts and Mathematics) so that we can learn, walk, and grow together in a good way.

Mission:

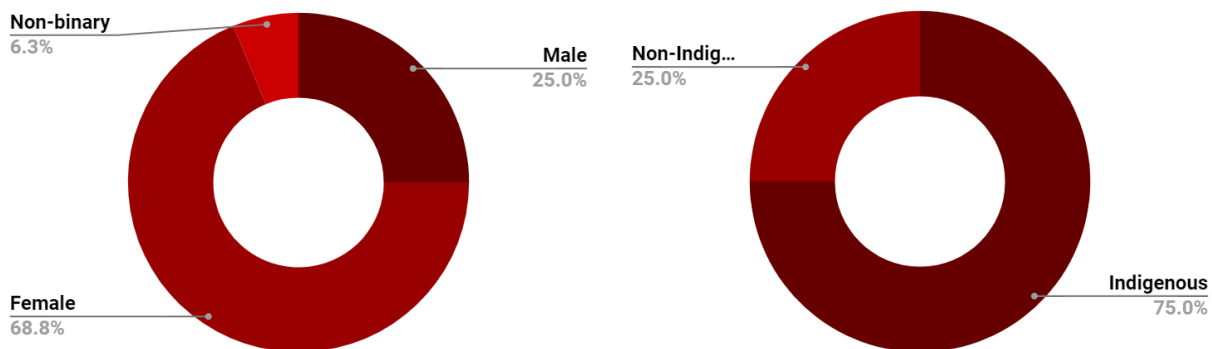

The Calgary Indigenous STEAM Students Association (CISSA) aims to serve as a platform for Indigenous and non-Indigenous University of Calgary students who are interested in promoting Indigenous engagement in STEAM, participating in learning opportunities to strengthen the campus community, and to explore professional development opportunities.

A Message to our Sponsors:

If your company is interested in partnering with us, we would love to discuss these opportunities with you in further detail to determine how we can best accommodate the needs of both your company and our members.

We thank you in advance for your interest in CISSA, as without our generous sponsors, these events would not be possible!
